All applicants must complete an Application for Enrollment and provide proof of education and age.

Students who are not US citizens and who wish to apply for Title IV funds must provide proof of

a valid alien registration number. All applicants must commit to attend scheduled classes, meet financial obligations on time as outlined in the enrollment agreement and demonstrate a desire to develop high standards of professional skills.

An applicant is ineligible for registration if he/she has been convicted of, entered a plea of nolo contendere or guilty to a Felony.

Certification of transfer hours must be submitted prior to signing the registration contract. Acceptance of transfer hours is at the discretion of the school. The school does not recruit students already attending or admitted to another school offering similar programs of study.

### **ENROLLMENT:**

Students may enroll at any time during the month. The first tuition payment, if applicable, is required to be paid on the first day of attendance. By State Law, only actual clock hours are accumulated.

### **TRANSFERS FROM OTHER SCHOOLS:**

Enrollment is available for students wishing to transfer to the School after they have withdrawn from other cosmetology schools both in and out of state. Students who have attended more than two career schools prior to submitting an application to Champion Beauty College may be considered ineligible for enrollment. The school may view this behavior as an indication that the student is at high risk of non-completion of the course. The school does not recruit students already attending or admitted to another school offering similar programs of study.

The student must submit certification of hours prior to signing the registration contract. Credit for previous training and education in a licensed cosmetology training program may be granted. The acceptance of transfer hours is at the discretion of the school. The student must meet all regular entrance and registration requirements. A transferring cosmetology student must enroll for a minimum of 600 hours, a transferring esthetic student must enroll for a minimum of 300 hours. Before a transferring student can be enrolled, they must be evaluated academically by the School Director. A fee of \$100 will be charged for students who are approved to transfer.

### **FEDERAL ASSISTANCE PROGRAMS:**

The school is approved as an eligible institution by the U. S. Department of Education to participate in Title IV grant and loan programs. The packaging of financial assistance is determined according to guidelines set by the US Department of Education. Financial aid is available to those who qualify.

**Federal Pell Grant** - Pell is a federal grant available to undergraduate students to help pay for their education. Eligibility for the Pell Grant is determined by a set of guidelines based mainly on the individual's income (and/or the parent's income if the student is determined to be a dependent student). Since the Pell grant is an entitlement program, all students are encouraged to apply. Application for current year Pell grant must be received by the Finance Office NO LATER THAN June 27th of that year.

**Federal Stafford Loans** - Stafford loans are low interest loans made by a lender such as a bank or savings and loan association. These loans are insured by the guarantee agency in each state and reinsured by the Federal Government. You must repay this loan. For borrowers who receive loans the interest rate is a

variable interest rate, which changes annually on July 1st. Repayment begins six months after you leave school, whether you graduate or withdraw from enrollment or after dropping below half time in attendance. Processing time is usually 2 to 4 weeks after the student starts. The federal government pays interest on a **Subsidized Stafford Loan** on his or her behalf. For an **Unsubsidized Stafford Loan**, interest accrues during the enrollment period. The borrower may pay the interest while he or she is in school, or the lender will capitalize it (that is, add to the principal balance).

**Federal Plus Loans** - The Plus loans provide additional funds for educational expense for dependent students and, like the Stafford loans, are made by a lender. Plus loans have variable interest rates, adjusted annually. Plus borrowers generally must begin repaying both principal and interest within 60 days after the last loan disbursement. Processing time will take approximately 2 to 4 weeks after the student starts. Applicants must undergo a credit analysis.

### **RETURN OF TITLE IV FUNDS:**

The return of Title IV Funds Policy applies to any student who receives Title IV funding and withdraws from the school. The withdrawal process is defined as occurring when a student notifies, in written or oral form, the School Director or Education Director of her/his intent to withdraw. In the event that the student fails to notify the school of her/his intent to withdraw, the student will be considered to be unofficially withdrawn after 14 consecutive days of absence. A return of Title IV funds must be made within 45 days from the determination date in case of student withdrawal.

The Return to Title IV formula determines the amount of Title IV funds a student has earned and the amount of Title IV funds a student must return as of the date the student ceases attendance. The amount of Title IV funds a student earns is a proportional calculation based on the amount of time the student was scheduled to attend through the 60 percent point of the payment period. If the student ceases to attend school after she/he was scheduled to have completed more than 60 percent of the payment period, the student earns 100 percent of the Title IV funds. For example, if the student were scheduled to complete 149.85 hours of a 450 hour payment period, the student would have earned 33.3 percent of their Title IV funds (i.e.,  $149.85/450 = 33.3\%$ ).

The Return to Title IV Funds Policy dictates only the amount of Title IV funds a student has earned. This policy does not dictate the amount of institutional charges that the school may retain. The amount of Title IV funds a student has earned may not cover all unpaid institutional charges due to the school upon the student's withdrawal. If the student receives less federal student aid than the amount earned, the student could be eligible for a post withdrawal disbursement. See the section "Refund Policy" for more information on the institutional charges due when a student withdraws.

### **Return of Title IV Funds Distribution Policy:**

Return of Title IV funds will be paid in the following order:

- 1) Unsubsidized Federal Stafford Loan
- 2) Subsidized Federal Stafford Loan
- 3) Federal PLUS Loan
- 4) Federal Pell Grant
- 5) Federal SEOG
- 6) Other Federal, state, private or institutional aid

7) The student

#### **VERIFICATION:**

Students selected by the U.S. Department of Education for the process of verification are required to submit additional information to the Financial Aid Office. The verification procedures will be conducted as follows:

When selected by the U.S. Department of Education for the process of verification, the student must submit all required documentation to the financial aid office within 21 days from the date the student is notified that the additional documentation is required for this process.

If the student does not provide all of the required documentation within the 21-day time frame, the student will be required to make other payment arrangements until the documentation is received and the student's eligibility for federal student aid has been established.

The financial aid office reserves the right to make exceptions to the policy stated above on a case-by-case basis for extenuating circumstances.

The financial aid office will make any required corrections to the application data and submit them to the Central Processing System. An adjustment will be made to the student's financial aid award as required by federal regulations and an addendum to the existing award letter will be issued to the student within 30 days.

#### **METHOD AND TERMS OF PAYMENT:**

If the student does not acquire eligibility for Title IV Funds, all tuition will be due and payable immediately, or an arrangement by promissory note may be approved by the school as a method of payment. If the student does acquire eligibility for Title IV Funds, **no portion of these funds will be disbursed to the student until the course costs are paid in full.** The student will be responsible for payment of any unpaid portion of tuition not covered by Title IV Funds. Payment is due immediately or any arrangement by promissory note may be approved by the school as a method of payment. If monthly payments are approved by the school, the student account is due and payable in accordance with the terms of the promissory note, including any late payment charges, if incurred. The student may be suspended until payment has been received. Certification of hours will not be provided until all tuition charges have been paid in full.

#### **COURSE TRANSFERS:**

With prior approval from the corporate office, a student may transfer from one course to another course within the school, per the following criteria:

- 1) The student must make a request to the school Director for a transfer to another course.

- Insubordination.
- Insufficient academic progress.
- Not fulfilling financial obligations to the school.
- Failure to comply with the rules and regulations of the school.

After a minimum of 5 consecutive school days and/or a maximum of 14 consecutive school days of absence or in the case of a leave of absence on the documented date of return if the student does not return.

## **TARDINESS/ATTENDANCE POLICY:**

Students are expected to attend classes as scheduled. Students who miss 5 consecutive school days without communicating with the School Director/designee may be terminated on the 6th consecutive school day. Students who persist in repeating patterns of absenteeism will be counseled and will be subject to appropriate disciplinary action. Students who have excessive absences may be terminated; re-enrollment is at the discretion of the school. All students are expected to call the school each day they are absent. You must speak with an instructor or the administrative staff. Students more than 10 minutes late for their scheduled shift will not be allowed to remain in school for the day, unless the reason for tardiness is 1) documented doctor/dentist visit, or 2) a documented court or other official appointment. Continued tardiness may result in probation, other disciplinary action, or ultimately expulsion from the school. Students are responsible to clock in and out appropriately to document their hours; the only documentation accepted for hours is the time clock system.

## **MAKE UP WORK POLICY:**

Students who are absent on theory test day or fail to pass a theory test must make up the test within the same month the test was given.

If the test is not made up within the same month, the test missed will be posted as a ZERO for calculating monthly grade point average.

## **MAKE UP HOURS:**

Make up hours can only be completed on Saturdays, from 8:00am – 2:00 pm, with a ½ hour lunch break. The school reserves the right to discontinue make up hours at any time.

### Criteria for Make Up Hours:

- 1) Students must sign up for make up hours by the “close of business” (by either 5:00pm or 8:00pm, depending on the school’s weekday hours of operations) on the Thursday before the Saturday make up hours day.
- 2) Students will be booked with client appointments on make up hours days. When not working on a client appointment, students will be completing assignments on mannequins. No free services (students or friends/family) will be done on makeup days.
- 3) Students are required to attend school from 9:00am – 2:00 pm on make up hours Saturdays; exceptions may be made with medical documentation only.
- 4) Students who sign up to attend makeup hours on Saturdays and do not attend will not be permitted to utilize the makeup hours policy per the following:

After the 1st Saturday missed, the student will receive a warning,

After the 2nd Saturday missed, the student will not be permitted to utilize the makeup hours policy for the next 30 days,

After the 3rd Saturday missed, the student will not be permitted to utilize the makeup hour’s policy for the remainder of their enrollment.

- 5) Students cannot earn more than 48 hours per week.
- 6) Students cannot accelerate attendance and graduate prior to their contract graduation date.
- 7) Students cannot attend makeup hour’s days unless they have makeup hours to complete.

## **SATISFACTORY PROGRESS POLICY:**

Satisfactory Progress in attendance and academic work is a requirement for all students, and students must maintain Satisfactory Progress to continue eligibility for funding. To determine Satisfactory Progress, all students are evaluated in academics and attendance at the beginning of each payment period. Students are advised of their academic and attendance status via a report card.

### **1. ATTENDANCE POLICY/PROGRESS**

Students must attend a minimum of 67% of the cumulative scheduled hours to maintain Satisfactory Progress and complete the course within time allowed. The maximum time frame is equal to 1.5 times the published length of the course. Time off for authorized leaves of absence will not be considered in the maximum time frame evaluation. All students are expected to be in attendance as specified in their registration contract. Late arrivals may enter class until 7 minutes after class begins. All absences are recorded and made a part of the school permanent record. The student is responsible for class material and/or tests missed while absent. Only the School Director may exercise discretion in scheduling when a student

is nearing the completion of the program. Students that project a poor attitude or show little or no effort to attend school or complete their assignments may be put on probation, suspension or terminated from school before the minimum satisfactory progress policy. Any action to be taken would be determined by the school administration. Students are encouraged not to miss any days during their freshman phase.

## **2. ACADEMIC PROGRESS**

Students are assigned theory study and practical assignments. Theory is evaluated by written exams given after each unit of study. Practical assignments are evaluated as completed and counted toward course completion ONLY when rated as satisfactory or better. Practical skills are evaluated according to text procedures and performance standards established by the state licensing agency.

Students must maintain a grade average of 75% and pass a FINAL written and practical exam prior to graduation. Numerical grades are considered according to the following grading scale:

### **Practical and Theory:**

92 - 100	A = Excellent
85 - 91	B = Good
75 - 84	C = Average
69 - 74	D = Needs Improvement
68 or less	F = Failure

## **3. DETERMINATION OF SATISFACTORY PROGRESS**

Satisfactory Progress will be measured monthly. In order for a student to be considered making Satisfactory Progress, the student must meet both attendance and academic minimum requirements.

## **4. PROBATION**

Students failing to meet requirements for attendance or academic progress for the 1st academic year midpoint evaluation will be placed on probation until the next academic year midpoint evaluation or until re-establishing Satisfactory Progress, whichever occurs sooner. During the probation, students are considered to be making Satisfactory Progress and students who receive federal funds may continue to be funded. If the student is meeting minimum requirements at the end of the probation period, the student will be determined as making Satisfactory Progress. If the student fails to meet requirements at the end of the probation period, the student will be determined NOT making Satisfactory Progress and will be suspended from receiving Title IV funds, if applicable. The student will be terminated if it is determined that the student cannot complete their program in the allotted 1.5 times the length of their course (maximum time frame).

Cosmetology students will have 2 evaluation periods and all other programs will have 1 evaluation period. The maximum number of probationary periods for all the programs is one.

## **5. APPEAL PROCEDURE**

If a student is determined NOT making Satisfactory Progress, the student may appeal the negative determination. The student must submit a written appeal notice to the school administration with supporting documentation including reasons why the determination should be reversed and a request for re-evaluation. Appeal documents will be reviewed and approved or denied. The review decision is final.

Students who prevail upon appeal will be determined as making Satisfactory Progress. If applicable, financial aid funds will be reinstated to eligible students.

## **6. WITHDRAWAL DATE AND LAST DAY OF ATTENDANCE**

The actual last date of attendance would be the last day the student was physically in attendance. A withdrawal date on a student who had been previously attending could be up to, but not to exceed 14 calendar days from that student's actual last date of attendance.

## **7. REESTABLISHMENT OF STATUS**

A student determined NOT to be making Satisfactory Progress may reestablish Satisfactory Progress by:

- Making up missed tests and assignments and increasing grade average to 75% and/or
- Increasing cumulative attendance to 67%.

## **8. REENTRY STUDENTS/INTERRUPTIONS**

A determination of Satisfactory Progress will be made and documented at the time of withdrawal or beginning of a Leave of Absence. That determination of status will apply to students at the time they return to school. The student may appeal a negative Satisfactory Progress determination according to the appeal policy. Elapsed time during a Leave of Absence does not affect Satisfactory Progress and will extend the contract period by the same number of days in the Leave. Students re-entering after exiting the school will not be evaluated as new students and consideration will be given to the student's progress status at the time of previous withdrawal. Students wishing to re-enroll in school after withdrawing must submit a letter to the school administration; letters of request will be forwarded to the Corporate Board along with the school Director's recommendation. Student letters requesting re-enrollment must include a summary of the reasons the student withdrew and how these issues have been resolved. Re-enrollment is at the discretion of the Corporate Board/school. Decisions by the Corporate Board regarding re-enrollment are final. Upon approval from the Corporate Board, students must pay a re-entry fee of \$100 with the application for enrollment.

### **1. REINSTATEMENT OF FINANCIAL AID**

Title IV aid will be reinstated to students who have prevailed upon appeal regarding the status of Satisfactory Progress or who have reestablished Satisfactory Progress.

### **2. COURSE INCOMPLETES AND REPETITION**

Course incompletes and repetition of courses have no affect on the institution's Satisfactory Progress Policy.

## **GRADING SYSTEM:**

Students are evaluated within each category level, Freshman, Junior, or Senior, through the use of theory, quizzes, examinations, practical quizzes, and requirement sheets. Students must have a 75% average in theory and practical, and must pass a final written and a practical examination (with a minimum of 75%) in order to be promoted to the next class. Recording successful clinical experiences in the student's record implies satisfactory completion.

The following numerical system is used to evaluate performance:

92 - 100	A = Excellent
85 - 91	B = Good
75 - 84	C = Average
69 - 74	D = Needs Improvement
68 or less	F = Failure

In order to be entitled to continue accumulating hours at this institution, a cosmetology student must be promoted to the next level based on the following hours:

Actual Hours

Freshman	0 to 576
Junior	577 to 769
Senior	770 to 1500

Progress reports are issued monthly, and report cards are issued at the end of each level, upon promotion. Diplomas are issued at the completion of all graduation requirements.

**ATTENDANCE AND SCHEDULE CHANGES:**

The contracted hours of instruction are to be taken at the times scheduled in the contract. The school is under no obligation to grant a schedule change. If the school grants a schedule change; the first schedule change will be without charge, there will be a charge of \$25.00 for a second schedule change, and \$100.00 for each additional schedule change. The school reserves the right to make any changes in the schedule that it deems necessary.

The student must complete the course prior to the Contract End Date. The Contract End Date may be changed only with the written consent of the school. The school is under no obligation to change the Contract End Date. The Contract End Date is based on the schedule in the contract. Any change in the total number of scheduled hours per week invalidates the original contract end date.

**ADDITIONAL CHARGES FOR ABSENTEEISM, AND DEFICIT HOURS:**

Students will be charged for hours scheduled, not just the hours attended. A Cosmetology student will have twelve (12) additional school days included in their contract end date to complete their course of study at no additional charge. An Esthetics student and Cosmetology Instructor student will have six (6) additional days included in their contract end date. And likewise a Manicuring student will have five (5) additional days included in their contract end date to complete their course of study at no additional charge.

Once a student's additional personal days are used up the student will be required to pay an additional amount per hour, as detailed in the contract, prior to the 15<sup>th</sup> day of each month, for all deficit hours accrued in the previous month. These charges are in addition to charges for contracted hours. Students, who do not pay for deficit hours, by the 15<sup>th</sup> of each month, will not be allowed to attend school until full payment is made. Students who are not permitted to attend school, for any reason, will continue to accrue deficit hours according to their schedule and during their absence.

Extra instruction charges will be at the following rates:

Cosmetology	\$8.00 per hour
Esthetics	\$10.00 per hour
Manicuring	not available at this time
Teacher Training	not available at this time
Massage Therapy	not available at this time

In case of a documented emergency, documented medical condition, or school closing, the school may credit the student with extra free hours or grant a leave of absence. All documentation must be presented to the school immediately upon the student's return to school. Late or incomplete documentation will not be

accepted. The school is under no obligation to grant a leave of absence.

**LEAVE OF ABSENCE:**

A Leave of Absence (LOA) is a temporary interruption in a student’s program of study due to circumstances such as family emergency, medical reasons, childcare provider issues, temporary loss of transportation, or other document able situations. A student will be allowed up to 180 days in a 365-day period.

- a) A student may, for valid reasons, and at the discretion of the Director, be granted a LOA. The student will not receive credit for attendance or achievement for this leave, nor will they be charged absences.
- b) Prior written notice must be given before a leave is granted.
- c) The LOA will not be granted for less than 5 consecutive school days or more than 30 calendar days, unless the request is supported by a physician’s written recommendation that the leave be in excess of the 30 days due to medical reasons. Maternity leaves would fall under this category.
- d) The status of a student at the time of the leave or any official interruption of the training will remain the same upon reinstatement, with regards to the satisfactory progress standards.
- e) Failure to return from a LOA will result in the termination of the student’s contract.

**RE-ADMISSION AND DISCONTINUATION:**

Students may discontinue their course of study temporarily or permanently. If a student discontinues, the student may be readmitted only once. The school reserves the right to reevaluate the student, and additional charges may be added. Upon reevaluation, the Director will discuss the results with the student and document the decision.

Champion Beauty College is not responsible for articles left on school property.

<b>Placement</b>	100.00 %	100.00 %	N/A	N/A

**REFUND POLICY:**

All refunds, when due, will be made with or without the request of the student. Refund percentages are calculated only in regards to the tuition cost of the program after classes begin.

- 1) An applicant not accepted by the school shall be entitled to a refund of all monies paid.
- 2) If a student (or in the case of a student under legal age, his/her parent or guardian) cancels his/her contract and demands his/her money back in writing, within three (3) business days of the signing of the registration agreement of contract, all monies collected by the school shall be refunded. The cancellation date will be determined by the date said information is postmarked or delivered to the school administrator in person. If a student receives any portion of a kit or textbooks, that student is responsible for 100% of the

charges for those items received after three (3) business days of the signing of the contract. These policies apply regardless of whether or not the student has actually started training.

3) If a student cancels his/her contract after three business days after signing, but prior to entering classes, he/she shall be entitled to a refund of all monies paid to the school less an application/registration fee of \$100.00 for all courses offered.

4) If the student withdraws or is terminated after having begun classes and before the last 50% of the course, the following schedule of tuition adjustment is authorized:

(a) After the first day of classes and during the first 10% of the period of financial obligation, the institution shall rightfully earn 10% of the contracted tuition;

(b) After the first 10% of the period of financial obligation and until the end of the first 25% of the period of obligation, the institution shall rightfully earn 50% of the contracted tuition;

(c) After the first 25% of the period of financial obligation and until the end of the first 50% of the period of obligation, the institution shall rightfully earn 75% of the contracted tuition;

(d) After the first 50% of the period of financial obligation, the institution shall rightfully earn ALL of the tuition.

5) "Enrollment time" is defined as the time elapsed between the actual starting date and the last date of physical attendance. Any monies due to the applicant or student shall be refunded within 30 days of formal cancellation by the student or by formal termination by the school, which shall occur no more than 14 days from the last day of physical attendance, or in the case of a leave of absence, the earlier of the scheduled date of return or the date that the student notifies the school that he/she will not be returning.

6) The refund policy will apply to tuition and fees charged in the enrollment agreement. Charges to the students for books and kits will be calculated separately at time of withdrawal. Books and kits that have been issued to the student may not be returned to the school for refund upon termination of enrollment.

7) If the school is permanently closed or no longer offering instruction after a student has enrolled, the student shall be entitled to a pro rata refund of tuition. The school shall provide individual notice to students if a teach-out is necessary.

8) If the course is cancelled subsequent to a student's enrollment and before instruction in the course has begun, the school will provide a refund of all monies paid. The school reserves the right to reschedule, postpone, or cancel classes.

9) Any return of Title IV funds will be paid as applicable, 1) Unsubsidized Federal Stafford Loan, 2) Subsidized Federal Stafford Loan, 3) Federal PLUS Loan, 4) Federal Pell Grant, 5) Federal SEOG, 6) Other Federal, state, private or institutional aid, 7) the student. 10) Students attending the institution for the first time who withdraw or terminate prior to course completion and who are recipients of Title IV funds, shall be evaluated for a return of Title IV funds according to federal guidelines.

Students enrolled in programs scheduled to last longer than 12 months are released from obligation to pay tuition for course-work scheduled to occur beyond 12 months if the student withdraws or is terminated

during the first 12 months, The calculation of the refund for the unused portion of the first 12 months is based on the calculation above.

If the student withdraws or is terminated during any subsequent period following the first 12 months, the student's refund for the unused portion of the tuition applicable to the period of withdrawal is based on the calculation above.

#### **PRIVACY AND FILE ACCESS POLICY:**

The Privacy Act of 1974 prohibits the release of privileged and confidential information concerning individual students unless authorization is received by the student and/or guardian (if the student is a minor) for each third party request. A school form may be used for this purpose. It is the school's policy that no information is released without written authorization of the student, with the exception of a parent who claims the student on their Federal tax return. The school will release information to any federal, state or local official, auditor, or accrediting body having the authority to request such information. Upon written request for an appointment with the school administrator, a student may review or give permission to an outside individual to review his/her student records. These records may include academic, financial aid and counseling records. A student may not review income and asset information on parents in the file without written consent of the parents. ## RULES AND REGULATIONS

1. School hours are Monday through Friday 8:00 a.m. to 5:00 p.m. for day school. Monday through Friday 5:00 p.m. to 8:00 p.m. for night school.
2. Students late for Theory or Practical will not be allowed to clock in and will not be given credit for class. Students will have to report to the Administration office until Theory or Practical is over.
3. Full time students are required to attend 30 hours per week and parttime students are required to attend 15 hours per week. Students must maintain a minimum of 67 % of the required attendance.
4. Students are not permitted to sit in dryer chairs, or at your station, unless your instructor has given permission. You must work on a mannequin or study assignment when not working on a guest or fellow student.
5. Students are not permitted to hang out or stand up at the front desk. Students must get permission before using the phone. Excessive incoming calls for a student (unless it is an emergency) will not be accepted. Remember this is a business phone you are tying up. Also it is an interruption of the staff to have to stop what they are doing and go get you for a phone call.
6. Only an instructor may collect charges and make change. Do not congregate for idle conversation in the area of the front desk.
7. Smoking is allowed outside in designated areas only away from the front door, and only on break. Excessive smoke breaks, or not cleaning up the smoking area, will result in a suspension of the smoking privilege.
8. Students are not allowed on the computer unless they are studying or using the media service, and only then with the permission of an instructor.
9. Guests come here for your benefit. Anyone refusing to do a guest will be suspended or terminated immediately. Students must wash hands before and after servicing each guest.
10. All students must inform the office of absences or tardiness. If prior approval has not been given for your absence or late arrival, you must call in no later than one/half hour after class has started. In some instances, a doctor's note may be required. Excessive tardiness and/or absences may result in termination from school. See rule #3.
11. Students are allowed a one-hour lunch break and two 10-minute breaks (one morning and one afternoon). Students who leave the building for any reason must clock out. Failure to comply will result in a loss of time that cannot be accounted for because you failed to follow the rules. Students are responsible for cleaning up after themselves after you eat. Do not leave your mess for someone else to clean up. Food left in the Terrace or in the refrigerator over the weekend will be disposed of.
12. You may be asked to bring additional supplies to school to supplement the supplies you now have. You will be given a designated time to have these supplies. Failure to do so may result in a written warning.
13. If you need assistance with any service or need a haircut check or perm check, find an instructor quietly. Yelling across the school will not be tolerated.
14. Be courteous to fellow students, staff members, and above all, to your guests. You will enjoy your day in school more if you do.
15. You must follow all sanitation rules and regulations as outlined by the T.D.L.R. Your instructor will inform

you of these. Practice cleanliness. Daily jobs are assigned to each student, and we rotate these jobs so that no individual feels that they are being taken advantage of. The T.D.L.R. requires students to assist in the cleaning of the school, for health and sanitation and learning reasons. Anyone who consistently avoids doing his/her job will receive a written warning only twice. After that you are subject to suspension or termination.

16. Keep your station neat and clean at all times. Sweep up all hair after each haircut and before performing the next service, even if it is on the same guest. Loose hair is not only unsightly, but also dangerous. You or someone else could slip and fall because of it. Check your station between guests. Do not seat your guest at a dirty shampoo chair, hair dryer, or styling station.

17. When a student is given a guest or fellow student to work on, he/she will be instructed as to what service(s) to give, and the supplies to be used. If a guest requests additional service(s) other than she has signed in for, the student will notify the person in charge at the front desk and also make sure the additional service(s) are written down on the guest's service ticket. If you fail to do this, and the guest fails to pay, you will be responsible for paying for those specific charges. No salon wants an employee who gives away services.

18. School uniforms consist of solid BLACK or solid WHITE shirt with armpits and mid drift covered. No writing or symbols on the top with solid BLACK pants or skirt (must be knee length or longer). Blue jeans are not acceptable. Black smocks may be worn. White lab coats may be worn by Esthetic and Manicuring students. Shoes will be black or white, with no heels over one inch. Slide in flats and tennis shoes are preferred. Anyone not complying with the dress code will be sent home to change. After the third time of being sent home because of noncompliance by the student, the student may be suspended or terminated from school.

19. All students must park only in designated areas as required by the school director or owner.

20. Alcoholic beverages or drugs will not be permitted or tolerated, EVER. Any person caught violating this rule will be terminated immediately.

21. Students will not argue with instructors or student instructors at any time. You must do as you are instructed immediately. Failure to do so will result in suspension or termination.

22. No food, drinks, gum or smoking is allowed in any area other than the Terrace break area. You will not consume any product unless you are on break and in the proper break area.

23. All students must maintain a grade average of 75% or higher at all times in theory and practical work. All students must maintain a minimum of 67% attendance to remain in satisfactory status. **ALL TUITION DUE MUST BE PAID IN ORDER TO REMAIN IN SCHOOL.**

24. All students are required to set up a final interview with the financial officer before permanently leaving the school. Any changes (address, income, phone number, etc.) must be reported at that time.

25. An appointment may be made with a school official for assistance in the job market. The school does not guarantee placement, but we will gladly assist you in finding employment.

26. Failure to comply with any and all rules set forth (or any augmented by the school in the future) will result in suspension and/or termination.

27. Students will not leave the building without informing an instructor and "clocking out."

28. Students who decide that they want to leave early but have not made prior arrangements with the instructor

will be suspended for one day. Continuous tardiness, absence, leaving early may lead to termination.

29. Do not write on your time card. If you forget to “clock” in or out, you will lose the time you were in school on that day. No one can override the rules of the T.D.L.R. regarding the time cards. Anyone tampering with another student’s card will be suspended or terminated immediately.

30. Tuition is due by the twentieth day of each month.

31. Sanitation duties are assigned on a daily basis and are to be done daily. Failure to follow instruction may result in suspension or termination.

32. Everyone takes a turn sweeping and cleaning when we do the daily cleaning of the school.

33. If you would like to receive a service (cut, color, perm, etc.) check with an instructor first. They will set up the day, time and student to perform the service. Students pay half price if school products are used. Service may not be performed until all guests and sanitation duties are completed.

## DRUG PREVENTION PROGRAM

In keeping with all local, state and federal laws, our school prohibits the possession, use or distribution of drugs and alcohol by students or employees while on school property or when involved in any school-sponsored activity.

Any student or employee who is or has been consuming alcohol or drugs on school property will be considered the same as though they came onto school property under the influence of alcohol or drugs. For the first offense, students or employees will be immediately removed from class attendance, until the student/employee can pass a "return to duty" drug and/or alcohol test, at student's/employee's expense. If there should be a second offense, the student or employee will be terminated. There will be an incident report in the individual's file or record for any offense.

Any student or employee having possession of alcohol or drugs--even though not under the influence--will be suspended one day for the first offense. The second offense will be reported to the police, and the student or employee will be terminated. There will be an incident report placed in the individual's file or record for any offense.

If conditions warrant such actions, the school reserves the right to search any containers or the person if it appears a student or employee is involved in alcohol or drugs.

The police department or any legal drug enforcement officials are welcome to the school at any time for investigation or making arrest. Penalties or punishment will depend upon the crime. Each case will be determined by the individual's record.

### HEALTH RISKS:

**TOBACCO:** Smoking of tobacco products is the chief avoidable cause of death in America. 170,000 people die each year from smoking-related coronary heart diseases. Lung, larynx, esophageal, bladder, pancreatic, and kidney cancers also strike smokers at increased rates. Chronic lung diseases such as emphysema and chronic bronchitis are ten times more likely to occur among smokers than among nonsmokers.

Cigarette smoke contains carcinogens which can produce eye, nose and throat irritations. The most dangerous substance is tobacco smoke is nicotine. Nicotine is highly addictive and makes quitting smoking difficult.

**MARIJUANA (CANNABIS):** All forms of marijuana have adverse physical and mental effects. Physical effects of usage are a substantial increase in the heart rate, bloodshot eyes, dry mouth and throat, and increased appetite. Use of marijuana reduces short-term memory and comprehension. Motivation and cognition can be altered making the acquisition of new information more difficult. Marijuana can also produce paranoia and psychosis. Long-term users may develop psychological dependence and require higher dosage to get the same effect.

**COCAINE:** Cocaine affects the central nervous system. Immediate effects include dilated pupils and higher blood pressure, heart rate, respiratory rate and body temperature. Chronic use can cause ulcers in the mucous membrane of the nose. Cocaine can produce psychological and physical dependence.

Crack is extremely addictive and its effects are felt within ten seconds. Dilated pupils, elevated blood pressure, loss of sleep, loss of appetite, paranoia and seizures are physical effects of crack usage. The use of cocaine can cause death by respiratory failure to cardiac arrest.

**DEPRESSANTS (BARBITURATES, METHAQUOLONETRANQUILIZERS):** The effects of depressants are similar to those of alcohol. However, large doses can cause respiratory failure, coma, and death. Using depressants can cause both physical and psychological dependence. Regular use of depressants may result in tolerance to the drug, causing the user to take larger quantities of the drug.

**NARCOTICS (HEROIN, METHADONE, CODEINE, MORPHINE, OPIUM):** Narcotics produce a

feeling of euphoria that is often followed by drowsiness, nausea and vomiting. Users may experience constricted pupils, watery eyes, and itching. An overdose of narcotics can produce slow and shallow breathing, clammy skin, convulsions, coma, and even death.

**ALCOHOL:** Alcohol consumption causes changes in behavior. Even low doses can impair the judgment and coordination required to drive a car safely. Moderate to high doses causes marked impairments in higher mental functions, severely altering a person's ability to learn and remember information. Repeated use of alcohol can lead to dependence. Sudden cessation of alcohol intake can produce withdrawal symptoms, including anxiety, tremors, convulsions, and hallucinations. Long-term consumption of large quantities of alcohol can lead to permanent damage to the liver and the brain.

**COUNSELING FOR DRUG AND ALCOHOL ABUSE:** The main source for currently active counseling centers is the Yellow or Business section of the telephone book, alcoholism information treatment centers or drug abuse and addiction information centers. If you or anyone you know is interested in counseling, please contact the school director. This can be performed in person or by telephone. The school director will furnish you with several names and telephone numbers where counseling and treatment may be furnished on a confidential basis.

I have read and understand these policies and the disciplinary actions that will occur for drug and alcohol abuse.

When a student graduates and goes to work in a salon they will more than likely be required to clean up after themselves. To assist each student in developing professional work habits the following activities should be performed daily:

Stations, mirrors and floor should be kept neat and clean daily prior to and following the servicing of a guest. Do not seat a guest at a dirty shampoo bowl or station.

Students must wash their hands before and after the servicing of a guest.

Equipment used by student should be sanitized after each use.

The Dispensary must be kept clean and all utensils washed after each use.

Lockers should be cleaned and free from any food articles.

No food or drink is allowed in any part of the school except the Terrace lounge. The lounge should be kept neat and cleared of all food when not in use.
